Subject: RE: Dollar General PI Bd withdrawal

At their meeting of December 20, 2017 the Planning Board voted unanimously to accept and approve the request for a withdrawal without prejudice submitted by Bohler Engineering for an application (proposed Dollar general Retail Store) for Site Plan Approval Special Permit for the property located at 4615 State Highway, Eastham MA.

Please let me know if you would like any further information.

Thanks
Paul

Paul, Can you please confirm whether the Planning Board has now accepted withdrawal of the Special Permit/SPR application which had been pending before it? Thank you. Jon
