Re: Cell Phone Town in Forestdale

Dear Folks:

Please note that we own a fulltime residence at Princess Pine Path in the Forestdale section of Sandwich. We read in the Cape Cod Times that Russo's located at 145 Route 130 in Forestdale has applied to construct a cell phone tower on their property. Oddly, the newspaper article indicates there may not be much opposition since the tower will be placed on undeveloped industrial land.

We wish to register our opposition to a 135-foot pole. Our house is in view of the tree line of the property in question. The Forestdale School is behind this industrial property, so we doubt the pole can be situated in a way that it is not seen from our subdivision.

Thank you,

William D. Wagner
